Location & surrounding area:

Coves Noves is a new urbanisation with a modern infrastructure situated on the north coast of the island, next to the beach of Arenal d'en Castell and between the marina of Addaia and the Son Parc golf club. Its elevated location offers fantastic views over the sea, a real experience during the well-known Tramuntana winds.

Under construction are new residential complexes consisting mainly of detached houses.

In summer the lovely beach of Arenal and the Son Parc golf course are close by, and in 15 minutes by car Alaior or Es Mercadal can be reached with their shops and restaurants.
